It hit a deer in the right front which broke the front bumper cover, RH headlight, and damaged the RF fender. The fender was replaced with a used one the same color, the headlight was replaced with a used OEM hyundai headlight. The vehicle also went off the road and damaged the right front suspension. The front air bags deployed. All air bags were replaced. All new suspension in the right front and an alignment was done. No Drivability issues at all. No frame or structural damage. All repair work was professionally done and is guaranteed. I have photos of the damage.
